**ANNOUNCEMENTS**

The lens through which we view life makes a difference. It also determines who we choose to learn from and what we allow to shape our thoughts and feelings. For many, life is simply what it appears to be, a given that either through evolution or some other means just came to be. There is no apparent rhyme or reason to things and things can be dissected and understood only in terms of what they empirically present. To the person using this lens, a tree is a tree and a flower is a flower. Their composition and existence can be understood only to the extent that current human knowledge allows. Through this lens, what gives life purpose and meaning? This lens has an essentially unknown beginning and definite end. Once those are accepted, the middle becomes some kind of pursuit of happiness, with values and principles being things that are self-created and found acceptable. But there is a Divine lens that also exists and deserves mention. It is found when one stumbles upon faith and begins to see things differently. This lens is of God and reveals a Divine Energy and Life that flows through and in all things. Faith then shows us that all that lives come from this one Source of Love. This is the only true lens that can give human beings the purpose and meaning they desperately need. From this perspective, all of life is much more than what is immediately apparent! It now tells and reveals a story about God generous, creative, and unconditional love! The unfolding of the human story is the unfolding of God's story. What meaning our lives have when they are viewed as a part of God's love affair with humanity! We are indeed special. The lens of our faith asks us to learn from Jesus Christ. Jesus, as the real Bread of Life, shows us our eternal destiny and completes and frames our lives. It is only in allowing ourselves to be taught by Jesus, that faith, hope, and love take on much greater importance. All the relationships in our lives are now structured and ordered using God's primary commandment of love. Jesus, then, is not just some man who lived at some point in history. Jesus is the incarnate Son of God who shows us the way, the truth, and the life. Using this lens changes things up a great deal. Looking at the creation that surrounds you and the special unique people you love, what is God trying to teach you about His love for you and the eternal life He wants you to have?

**EVERYDAY STEWARDSHIP**

**What's your Hearth Cake?**

"Get up and eat, or the journey will be too much for you." I've been to a lot of meetings in my years of work in the Church, and you can take my word for it: the ones with snacks just seem to go better. I don't know what it is exactly. Maybe it's just that people are in a more agreeable mood if you show up with donuts. Or maybe it's about the very real sense of community and camaraderie that is created at a table where people are engaging in that most human of tasks — eating — beside one another. I think a big part of it comes down to the simple fact that we're all just nicer people when we're fed. This rings true spiritually, too. We simply must remain fed if we, in turn, are to feed others. Think of a time when you have neglected your relationship with God — when you haven't fed yourself with whatever it is that you need to remain committed to the journey of a Christian life. Is it Mass attendance? Is it prayer or Scripture reading? Is it time with your small group, or conversation with a trusted friend who knows your soul? What sustains your ability to be a good disciple, a good steward? What inspires you to give more freely, to love more abundantly? Whatever it is, that's your hearth cake. That's your jug of water. Don't neglect it. The Angel of the Lord is nudging you in your sleep: "Get up and eat, or the journey will be too much for you."

## LA CORRESPONSABILIDAD DIARIA

### ¿Cuál es tu pan cocido en las brasas?

"Levántate y come, porque aún te queda un largo camino." He asistido a muchas reuniones en mis años de trabajo en la Iglesia, y puedes confiar en mi palabra: las que tienen bocadillos parecen ir mejor. No sé qué es exactamente. Tal vez sea solo que la gente está de un humor más agradable si te presentas con donas. O tal vez se trata del sentido muy real de comunidad y camaradería que se crea en una mesa donde las personas se involucran en la más humana de las tareas, comer, una al lado de la otra. Creo que una gran parte se debe al simple hecho de que todos somos personas más agradables cuando nos alimentamos. Esto también suena cierto espiritualmente. Simplemente debemos seguir alimentados si, a su vez, vamos a alimentar a otros. Piensa en un momento en el que hayas descuidado tu relación con Dios, cuando no te hayas alimentado con lo que sea que necesites para permanecer comprometido con el viaje de una vida cristiana. ¿Es asistencia a misa? ¿Es oración o lectura de las Escrituras? ¿Es tiempo con tu grupo pequeño o conversación con un amigo de confianza que conoce tu alma? ¿Qué sostiene tu capacidad para ser un buen discípulo, un buen corresponsable? ¿Qué te inspira a dar más libremente, a amar más abundantemente? Sea lo que sea, ese es tu pan cocido en las brasas. Esa es tu jarra de agua. No lo descuides. El ángel del Señor te está dando un codazo en tu sueño: "Levántate y come, porque aún te queda un largo camino."

## XIX Domingo Del Tiempo Ordinario 8 de agosto de 2021

El ser humano por naturaleza es terco y obstinado, de corazón duro y le resulta muy difícil creer en las realidades que vive. Por ejemplo: ya ha pasado más de un año de estar viviendo esta pandemia y aún existen personas que no creen en ella. Han perdido la vida miles de personas alrededor del mundo y muchos siguen obstinados en su propio círculo. "¡Mientras a mí no me toque, que importan los demás!". La experiencia que hemos estado viviendo nos invita al cambio; es tiempo de darnos cuenta que somos frágiles y que la ciencia y la medicina, sin el poder Dios, no quedan en nada. Hoy, en el Evangelio, Jesús insiste en dar a conocer a los de su tiempo, y a nosotros, que él es el Pan bajado del cielo para dar vida. Pero la gente seguía en su misma terquedad. No lo escucharon, mucho menos abrieron los ojos para ver. "Conocemos a su padre y a su madre, ¿no es cierto? Él no es sino Jesús, el hijo de José. ¿Cómo puede decir que ha bajado del cielo?" (Juan 6:42). Que terrible confusión, para ellos era imposible darse cuenta de lo que Jesús seguía anunciando: "Yo soy el pan vivo bajado del cielo. El que coma de este pan vivirá para siempre. El pan que yo daré es mi carne, y lo daré para la vida del mundo" (Juan 6:51). Bien, y ahora, ¿qué sigue? Yo creo que debemos reflexionar en la siguiente pregunta: ¿Por qué mucha gente que asiste a Misa no comulga? Quizá porque no cree que Cristo es el verdadero pan del cielo. Recordemos que la Eucaristía es el alimento espiritual para la jornada. ¡Acerquémonos a este Pan!

**Stewardship Ministry –Christ the Savior**

*"Get up and eat or the journey will be too much for you!"* 1 KINGS 19:7  
God knows that committing to a stewardship lifestyle is difficult. However, we were not designed to do it on our own, we need His help. Fortunately, God gave us the greatest gift of all, His son, Jesus. Through the gift of the Eucharist, we join our sacrifice with the sacrifice of the Holy Mass and receive the strength and courage to be His joyful disciples.

\*\*\*\*\*

*" Levántese y coma o el viaje será demasiado para usted!"* 1 REYES 19: 7  
Dios sabe que comprometerse con un estilo de vida de corresponsabilidad es difícil. Sin embargo, no fuimos diseñados para hacerlo nosotros mismos, necesitamos Su ayuda. Afortunadamente, Dios nos dio el mayor regalo de todos, Su hijo, Jesús. A través del don de la Eucaristía juntamos nuestro sacrificio con el sacrificio de la Santa Misa y recibimos la fuerza y la valentía para ser Sus alegres discípulos.

## 19TH SUNDAY IN ORDINARY TIME

## WHY DO WE DO THAT? - CATHOLIC LIFE EXPLAINED

**Question:** What is a transitional deacon?

**Answer:**

There are two types of deacons in the church. Both are members of the clergy. Both have the same liturgical role. Both have the service of the community as their primary work. One is called a permanent deacon, usually a married man ordained as a deacon with no intention of becoming a priest. They preach, baptize, witness marriages, conduct funeral services, and look after the needs of the poor. They also visit the sick and take Communion to them, although they cannot celebrate the sacrament of the Anointing of the Sick. They might also assist the pastor in his administrative duties. Permanent deacons are usually well known and respected in their communities and have roots there. A transitional deacon is one who functions as a deacon for a period of time prior to ordination as a priest. His diaconate assignment serves as a kind of internship of ordained ministry. During his year or two as a deacon, he will learn the practical aspects of parish life, getting a firsthand look at the life of a priest. His work has a different focus than a permanent deacon in that he is looking forward to ordination as a priest.
